RECENT NEWS

Exo Team Wins Excellence at Mecha Signature Event

ON FEB. 4TH, EXOTHERMIC BLAZE, 10B, ATTENDED THE MECHA MAYHEM SIGNATURE EVENT, AND WENT 10-0-0 IN THE ROCKIES DIVISION QUALS, THEN MADE IT TO DIVISION FINALS AND WON THE EXCELLENCE AWARD, CLAIMING THEIR TICKET TO THE WORLD CHAMPIONSHIP!

RECENT NEWS

10B with their Excellence trophy and banner!

Mecha Mayhem Signature Event

Up in Calgary, Alberta, team 10B attended the Mecha Mayhem Signature Event, ranking #1 in the Rockies Division, and making it to division finals. After 2 long days of competing, they finally took home the Excellence Award, qualifying them for the World Championship (before they got their state qual)!

Cavelero Cup

On Feb. 3rd, 10K, M, S, W, and X competed at Cavelero Cup, with 10W winning the competition, earning themselves a spot at State!

Bellingham ROBO- BASH

On Feb. 10th, teams 10A, 10C, 10F, 10K, 10S, 10T, 10W, and 10Z all attended Bellingham Robo-Bash! After a day of tough competition, 10T won the Design Award and was tournament finalist, and 10C won the tournament! Great job teams!

10T posing with their Design Award!

10C and their alliance after winning the tournament!

Exothermic League

On Feb. 14th, exo teams competed in the Exothermic League Competition, winning award after award! 10F claimed both the Excellence Award and the Skills Champion title, 10K and 10K won Tournament Champion together, and 10C won Design!

RECENT NEWS

10X and their Excellence Trophy!

Exothermic Winter Challenge

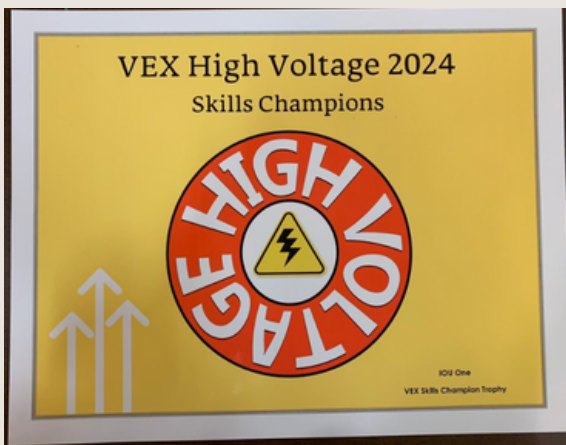

On Feb. 17th, exo teams competed at Lake Washington High School, where some were able to finally earn their state qual! Congrats to 10T and 10J for winning the tournament, 10X for winning Excellence, 10B for winning Design, and 10J for also winning Innovate!

10B with their Design award!

VEX High Voltage

On Feb. 24th, teams 10A, 10E, 10F, 10G, 10J, 10K, 10N, 10R, 10S, and 10Z all competed at the High Voltage Competition. A huge congrats to 10N for being tournament finalist and Skills Champion, with a score of 375!!

10N's Award from High Voltage!

10T and 10J together with their tournament champion awards!

REMINDERS

1. Code of Conduct- Updates

- This past month, the student board has made changes to the Code of Conduct. Be sure to check them out!

Current State Skills Rankings (Top 5 Exo teams)

Team:	Ranking:	Results:
10N	2 (State), 51 (World)	<u>Driver</u> : 209 points; <u>Programming</u> : 166 points
10F	8 (State), 156 (World)	<u>Driver</u> : 162 points; <u>Programming</u> : 181 points
10W	11th in state	<u>Driver</u> : 171 points; <u>Programming</u> : 160 points
10Z	12th in state	<u>Driver</u> : 177 points; <u>Programming</u> : 154 points
10K	14th in state	<u>Driver</u> : 173 points; <u>Programming</u> : 155 points

Upcoming Events

1. March 9th: 2024 Washington VRC High School Regional Championship-

- Mark your calendars and get ready! State is just around the corner! Teams should make sure to print out their engineering notebooks, as there will only be physical submissions allowed! Winning an award at State is a great way to qualify for the World Championship in Dallas, Texas, so teams should make sure they're fully prepared!
